

## Service Agreement

This agreement is a service only contract. It covers labor charges on minor emergency repairs. This is a recurring payment that will be automatically deducted on or around the \_\_\_\_\_ until cancelled. If monthly payment is declined a \$15 fee will be added, and service will be declined until account is paid in full. There is no contract until services are required. Once a service is provided customer will be under contract for 18 months. Additional 12 months for each additional service call. All material fees are due at time of service. New services and exclusions may be added at any time. All non Emergency calls will be scheduled. \$5 per month discount on active referrals. After 2 referrals additional discount becomes a \$50 yearly gift card. There is no limit on referrals.
